

## Product Change Notice

### 1.0 Affected Products

**020-1053** - Combined 4G LTE (Main & Diversity) / GPS Antenna

#### Old Design

#### New Design

### 2.0 Advisory Information

The outer casing for the **020-1053** - Combined 4G LTE (Main & Diversity) / GPS Antenna has changed. For reference the above images show the old design on the left and the new design on the right.

Moving forward all orders will be fulfilled with the new outer case style.

There is no change to the product part number and no functionality changes. The new part can continue to be used in the same way as the old case design variant.

Existing pricing levels remain unchanged.

There has been some slight changes to the dimensions of the product and how it is mounted. This information is available to download from the **020-1053** product page on the DSE website. [Click here](#) to view.
